During prelisting inspection any non-permitted additions or repairs will be removed to original condition at Seller's expense. This includes but not limited to any plumbing, electrical or structural additions.

Section 2.8 – Escape Tax Deposit

In order to avoid escaped property tax potentially due the County Assessor's Office, funds in the amounts of \$5,000.00 will be withheld in escrow to cover the escaped property tax whenever a unit/share of stock is sold or transferred. inspections or any life-safety inspection. The request can be made in the Stock Transfer Office.

An inspection must be performed by the Physical Property Department at the established fee of two hundred fifty dollars (\$250.00) and the cost of any required maintenance or corrective work is to be determined in accordance with the Qualifying Resident's Occupancy Agreement and Mutual Rules. Any needed work that is the responsibility of the Mutual shall be performed by the GRF Service Maintenance Department.

Non-standard items needing repair are to be accomplished by the prospective Qualifying Resident. Whenever any corrective work (which would be applicable if there was an escrow involved) is needed to bring a unit into compliance with Mutual regulations, and the corrective work is the responsibility of a Qualifying Resident, the corrective work shall be completed by the Qualifying Resident and/or the prospective Qualifying Resident prior to the prospective resident shareholder being added to the stock.

Prospective Qualifying Resident will be informed by the Stock Transfer Office of any monies owed on the Unit. This information will be supplied by the Accounting Department and the Physical Property Department.

The Stock Transfer Office will ensure that all standard procedures and documents are completed and verified in accordance with Mutual and GRF requirements. Also, ensure that a new buyer orientation will be performed by member(s) of the Board.

Section 2.10 – Lock Resolution

Such Lockbox cannot be located at a distance of higher than six (6) feet off the ground. In the event that a locking device does not meet the standards of the Mutual set forth in this Section, and the nature of an emergency requires the Mutual to enter the Unit, the agents and employees of this Mutual are authorized to gain entry by any reasonable means and the expense of the repair, if any, shall be at the cost of the Qualifying Resident and/or Shareholder. If a keypad lock is installed, it must have key access, and the key placed in the Lockbox.

Trees may not be planted in garden areas, except in containers, with a paver supporting the container so that the roots will not go into the ground. Trees and plants must be kept twelve (12) inches below the eaves. Plants must be cut back so as not to extend over the garden line, in all cases. Any roots that have broken through the container must be removed at Shareholder’s expense. Removal of any offending growth will be done by the Mutual at the Shareholder’s expense. No citrus trees allowed.

Section 5.4 – Plants within Garden Areas

Shareholders may plant greenery of their choice from the list of Mutual-approved plants (Exhibit C) within the Shareholder garden area. Section 5.6 – Potted Plants

Effective immediately, potted plants are not permitted on sidewalks, entrance walkways or lawns, nor can they inhibit the 36-inch entry requirement for emergency access. Further, potted plants are not permitted on top of, or hung from Padmount transformers, nor on telephone vaults or walk lights. Cement pavers must be under all pots containing trees or plants to prevent roots from going into the ground. Potted plants are not allowed in tree wells. In the garden area, potted plants must have a minimum of 24” of space between them to allow for maintenance.

Section 5.7 – Shareholder Maintenance of Garden Areas

After cleaning garden areas or raking leaves, Shareholders should place the leaves or debris in the proper trash bins. At the time of escrow or transfer of stock to a new Shareholder, the Mutual Inspector and the Mutual Board will signify any plants, shrubs or trees that need to be removed. The cost of such removal will be the expense of the seller or transferee of ownership. Planting will be in accordance with the current Mutual Rules and Regulations. If the new Shareholder wishes to do the planting, it will be at his/her expense. Shareholders may design a garden area with slight curves within 36 to 48 inches to enhance their garden areas. First, Shareholders must submit a plan and drawing of the proposed garden area to the Mutual Board prior to work being performed. If approved, the plan and drawing will go into a file for that Unit and be grandfathered in, so that the garden area does not have to be returned to its original configuration if the Shareholder sells his or her share of stock. Shareholders are expected to maintain their flower bed areas to enhance the Mutual and be aesthetically appealing to the appearance of the Mutual. If a Shareholder does not adhere to the requirements of this Article of the Rules, the Mutual will advise the Shareholder, in writing, of the problem to be corrected and may take disciplinary action.

Section 5.8 – Mutual Maintenance of Garden Areas

Every Shareholder is allowed the privilege of a flower bed area in front of his/her Unit. Flower beds are cultivated, weeded, and trimmed by contracted landscapers every six (6) weeks. Shareholders who desire to do the work themselves may alert the landscapers by placing red flags within the flower bed. Flags are available from Directors. Landscapers are instructed to remove weeds from all flower bed areas, including Baby’s Tears, wild mint, ivies, and plants of the spiderwort family. These plants can spread onto the lawns or invading neighboring gardens.

Section 5.9 – Prohibited Uses of Garden Area

Section 5.10 – Plants may not Touch any Structure

In no instance are plants of any sort permitted to become entwined, lay upon, or in any manner touch a roof, an exposed beam, or any portion of a structure, including gutters, as these conditions invite termites, rats and mice. Any plant materials in the flowerbed whose roots are damaging the building structure, walkways, lawn area, or retaining wall must be removed at the expense of the Shareholder and the damages repaired at the Shareholder's expense. Plants not already trimmed to acceptable standards of six (6) inches from the building and decorative blocks, twelve (12) inches below the eaves, will be cut back at Shareholder's expense.

Section 5.11 – Entrance Walkways

Entrance walkways, from the sidewalk to the structure/porch, must be kept free always of potted plants and all other impediments, including electric carts. Nothing that will in any way impede the full use of the 36" wide walkway and entry from the sidewalk to the entrance onto the porch is permitted to remain on the walkway.

Section 5.12 – Stackable Gardens

Shareholders are allowed to have "stackable gardens." However, the garden must have approved plants and the riser must be kept twelve (12) inches from the building wall and may not exceed twelve (12) inches in height. Risers are not permitted on the deco/stucco block walls.

Section 5.13 – Overgrown Flower Bed

If a garden area is deemed to be an eyesore by the Landscape Committee and provides hiding places for spiders and rodents, then the Shareholder will be asked, in writing, to clean it out. If the Shareholder does not clean out the "overgrown" garden area and/or overabundance of potted plants, then the Mutual will do it at Shareholder's expense. The Shareholder will not be reimbursed for any plants, pottery, containers, or non-authorized "items" in the garden area.

Section 5.14 – Approved Plants

If a Shareholder has a question about a plant that does not appear on the approved list, the Shareholder needs to contact the Landscape/Garden Director for clarification and to obtain written approval from the Director prior to planting. If planted without prior written approval, the Mutual will remove, at its discretion, the offending plant(s) at the Shareholder's expense. Pots containing vegetables and trees may be placed on Shareholder's patio. If

Section 12.6 – One Vote per Share

Each Shareholder shall have one (1) vote per share owned. In no event shall more than one (1) vote be cast with respect to any share. When more than one (1) person owns any share, all such persons shall be deemed Shareholders, provided however, that the vote for such share shall be exercised as a unit, in accordance with the provisions of the Mutual’s Governing Documents. If two or more ballots are received for any one share, the first ballot received shall be counted and the additional ballot(s) discarded.

Section 12.7 – Inspector of Election

At an open meeting, the Board shall appoint one (1) or three (3) persons to serve as independent Inspector(s) of Election (“Inspector(s)”). The Inspector must be an independent third party who is not: (i) Currently a member of the Board or a candidate for the Board; or (ii) Related to a member of the Board or a candidate for the Board, or (iii) A person, business entity, or subdivision of a business entity who is currently employed or under contract to the Mutual for any compensable services other than serving as an Inspector of Elections.

The Board, in its discretion, may remove and replace the Inspector at any time prior to the date of any election.

The Board may pay reasonable compensation to a non-Shareholder third-party Inspector. For mailed ballots, the Inspector(s) may verify the Shareholder's information and the presence of a signature on the outer envelope prior to the election; (v) Determine the existence of a quorum, if required by statute or the Governing Documents. For the purposes of determining a quorum, each ballot or proxy received by the Inspector(s) shall be treated as a Shareholder present, except in the case of duplicate ballots or multiple ballots from the same share; (vi) Hear and determine all challenges and questions in any way arising out of or in connection with the right to vote; (vii) Count and tabulate all votes; (viii) Determine when the polls shall close, consistent with the governing documents; (ix) Count and tabulate all votes; (x) Determine the tabulated results of the election; (xi) Report the tabulated results of the election or balloting promptly to the Mutual Board to ensure that the Mutual Board can publicize the results to the Shareholders within fifteen (15) days of the election; and (xii) Perform any acts as may be proper to conduct the election with fairness to all Shareholders in accordance with Civil Code Section 5110, the Corporations Code, and all applicable rules of the Mutual.

The Inspector(s) may meet and discuss election issues amongst themselves and/or with Mutual counsel. If there are three (3) Inspectors, the decision or act of two (2) or more Inspectors shall be effective in all respects as the decision or act of all. The Inspector may appoint and oversee additional persons to register ballots and/or to count and tabulate votes as the Inspector deems appropriate, provided that the persons are independent third parties, as set forth herein. The Inspector's report of the election, once signed to certify the election result, is prima facie evidence of the facts stated in the report.

Section 12.8 – Access to Mutual Media

No candidate or Shareholder shall be provided access to Mutual media, newsletters or internet web sites during the campaign except with the express consent of the Mutual Board, and solely for purposes that are reasonably related to that election. by the Board, shall be provided equal access for purposes reasonably related to that election.

In the event access to Mutual media, newsletter or internet websites is granted, the Mutual shall not censor, edit or redact any content from the communications of the candidates and Shareholders advocating a point of view, but may include a statement specifying that the candidate or Shareholder, and not the Mutual, is responsible for the content of the message. The following statement may be published by the Mutual: *“The views expressed are those of its author and do not reflect the view of the Mutual, its directors, managers, employees or agents. The author is solely responsible for its content. The Mutual was required by law to publish the communication as written, regardless of content.”*

Section 12.9 – Access to Common Area Meeting Space

If any common area meeting space exists within the Mutual, access to such meeting space shall be made available at no cost to all candidates, including those who are not incumbents, and to all Shareholders advocating a point of view, including those not endorsed by the Board, for purposes reasonably related to the election or vote, upon reasonable request.

Section 12.10 – Mutual Funds

Mutual funds shall not be used for campaign purposes in connection with any election except to the extent necessary to comply with the duties of the Mutual imposed by law.

Section 12.11 – Proxies

The Mutual is not required to prepare and distribute proxies. All proxies shall be in writing and dated. No proxy shall be valid after eleven (11) months from the date of its execution unless otherwise provided in the proxy. Each proxy shall be revocable and shall automatically cease upon conveyance by the Shareholder of his or her share; upon receipt of notice by the Secretary or the Board stating the proxy is revoked, or of the death or judicially declared incompetence of a Shareholder; or upon the expiration of three (3) years from the date of the proxy. The authenticity, validity and effect of proxies submitted by Shareholders shall be determined by the Inspector(s) consistent with the Mutual’s Governing Documents and any statutory requirements. If a Shareholder submits both a proxy and a ballot to the Inspector(s), the ballot will supersede the proxy. Proxies may not be used in lieu of a ballot. Proxies may not be revoked once a proxy holder has submitted a ballot to the Inspector(s).

Section 12.12 – Secret Balloting Procedures

The Mutual shall utilize a secret ballot process pursuant to Civil Code Section 5115 for the following matters: (i) A vote of the Shareholders

Notwithstanding the foregoing, the Mutual may utilize a secret ballot process for any other Shareholder vote, if allowed by law or the Governing Documents.

A ballot and two pre-addressed envelopes (Envelopes # 1 and # 2) with instructions on how to return the ballot shall be mailed by first-class mail or delivered by the Mutual to every Shareholder at least thirty (30) days prior to the deadline for voting. The ballot shall contain the names of any candidates known to the Mutual at the time the ballot is mailed. If no candidates are known or if there are fewer candidates than the number of Directors to be elected, the Mutual will send out a ballot which has the names of the known candidates.

A voter may not be identified by name, address, or Unit number on the ballot. The ballot itself is not signed by the Shareholder voting, but rather, is to be inserted into Envelope # 1 that is sealed by the Shareholder. Envelope # 1 is then inserted into Envelope # 2, which is then sealed by the Shareholder. Envelope # 2 is addressed to the Inspector. In the upper left-hand corner of Envelope # 2, the voter shall sign his or her name, print his or her name, and indicate the address or separate interest identifier that entitles him or her to vote. Envelope # 2 may be mailed or delivered by hand to a location specified by the Inspector. The voting Shareholder may request a receipt for delivery.

Once a ballot has been cast, it cannot be revoked. Only the Mutual's ballots and envelopes which are sent out to the Shareholders by the Mutual or are provided by the Mutual at the shareholder meeting will be accepted by the Inspector(s).

The only items that may be included in the ballot packet are the notice letter, the mail-in secret ballot, voting instructions, candidates' personal statements (if submitted), and mailing instructions for the ballot. The ballot packet shall be sent to each Shareholder no later than 30 days prior to the annual meeting. One ballot packet per Unit shall be sent.

Each candidate may submit a one-page personal statement (preferably typed) to the Stock Transfer office before the announced deadline to be included in the ballot packet. The statement shall be three hundred (300) words or less and may contain only the candidate's background and qualifications. Personal statements that advocate the defeat of another candidate or malign another person's character or actions will not be accepted.

If there is a recount or other challenge to the election process, the Inspector(s) shall, upon written request, make the ballots available for inspection and review by a Mutual Shareholder or his or her authorized representative. Any recount shall be conducted in a manner that preserves the confidentiality of the vote.

After the transfer of the ballots to the Mutual, the election materials shall be stored by the Mutual in a secure place for no less than three (3) years following the date of the election. The Inspector shall retain, as Mutual election materials, both a candidate registration list and a voter list. The voter list shall include the name, voting power, and either the physical address of the voter’s Unit, the parcel number, or both. Violation reports should be in writing and should describe the violation, identify the alleged violator, and identify the individual making the report. Please note that Shareholders do not have the right to remain anonymous when reporting an alleged violation. Upon receipt of a violation report, the Mutual Board will commence the enforcement process and determine whether a violation has occurred. The Mutual Board has complete discretion to decide whether or not to take action on a written violation complaint and what action, if any, will be taken. The Mutual Board may investigate any reported violation in order to determine whether the alleged violation has potential merit and, if so, whether the violation warrants action by the Board. Violations may also be noted by members of the Mutual Board, GRF, and/or staff during regular walkthroughs of the Mutual.

16.1.2 Enforcement Procedures. The Mutual reserves the right to take legal action in order to enforce compliance with the Governing Documents at any stage in the enforcement process. The notice shall further advise the Respondent of his or her right to attend the hearing, submit a statement of defense to the Mutual Board in advance of the hearing or present a statement of defense and supporting witnesses at the hearing. If the Respondent does not attend the hearing, the Respondent waives these rights.
- C.** The Mutual Board shall conduct the hearing in executive session (unless requested otherwise by the Respondent) and shall afford the Respondent a reasonable opportunity to be heard.

- F.** The Mutual Board shall provide the Shareholder with written notice of the outcome of the hearing and any disciplinary action taken by the Mutual Board within ten (10) days after the hearing. In the case of a continuing violation, the notice of hearing decision may include a notice of a continuing fine, if authorized by the Fine Schedule, or notice of a subsequent hearing on the same violation to be held no sooner than thirty (30) days from the original hearing date, unless the violation is sooner remedied.
- G.** Fines imposed by the Mutual Board after a hearing shall be due immediately upon notice of the hearing decision to the Owner. Special Assessments levied by the Mutual Board shall be due thirty (30) days from the date of the notice of hearing decision, or upon such other later date specified therein not to exceed sixty (60) days from the date of the notice.

16.1.3 Fine Schedule. The schedule of monetary penalties which the Mutual Board may impose for general violations in accordance with the above procedures is attached to these Rules as Exhibit "F". The Mutual Board reserves the right to revise the Fine Schedule at any time through a rule change procedure and the most recent Fine Schedule shall be distributed to the Shareholders on an annual basis. Fines for parking violations are not included in Exhibit "F" but, rather, are set forth below in Section 16.2.7 of these Rules.

ARTICLE XVIII – LEASING RULES AND REGULATIONS

The Board of Directors (“Board”) of Seal Beach Mutual No. Seven (“Mutual”) has adopted the following Leasing Rules and Regulations (“Leasing Rules”) in accordance with Civil Code to establish certain procedural rules for the rental of Units within the Mutual. To the extent that these Leasing Rules conflict with the Governing Documents of the Mutual, these Leasing Rules are intended to replace and supersede the provisions of the Mutual’s Governing Documents, including without limitation, the Occupancy Agreement, Rules and Regulations and Policies, that discuss the rental or lease of a Unit. These Leasing Rules were revised and adopted by the Board to comply with the changes to California Civil Code which take effect on January 1, 2021, pursuant to California Assembly Bill 3182.

DEFINITIONS:

For the purposes of these Leasing Rules the definitions set forth below shall apply. To the extent any term is capitalized herein but not defined, the definition set forth in the Mutual’s Bylaw shall apply.

- **Lease:** a person or rental agreement, whether or not in writing and regardless of whether any consideration is paid, entered into between a Shareholder and a Tenant for the Tenant’s occupancy of the Shareholder’s Unit.
- **Tenant:** a person who occupies any portion of a Unit at the Development pursuant to a Lease, irrespective of any rent paid or compensation given to the Shareholder of the Unit for such occupancy. All Tenants must sign the Addendum as further described in these Leasing Rules. Only persons who have signed the Addendum may reside in the Unit.

Section 18.1 - Leasing of Units

The rental or leasing of any Unit shall be subject to the provisions set forth herein. When the term “rent” is used herein, it shall be deemed to mean and include the rental and/or leasing of a Unit.

Section 18.2 – Residential Purpose

Each residence shall be used only as a residential dwelling for a single household. A Shareholder may rent/lease his or her Unit for such residential purpose under a Lease, pursuant to these Leasing Rules. The number of persons residing in a Residence at any time shall comply with the Shareholder’s Occupancy Agreement and Addendum, all City and County code, regulations, and ordinances regarding the occupancy

SEAL BEACH MUTUAL NO. SEVEN
Rules and Regulations

or residential dwellings, and may not exceed any occupancy limits established under such codes, regulations, or ordinances.

Section 18.3 – Addendum to Occupancy Agreement

Any Shareholder approved by the Mutual to lease out his/her Unit is required to execute an addendum to his/her Occupancy Agreement “Addendum”. Such Addendum will also require the signature of each Tenant. The failure of the Shareholder and/or the Tenant to sign the Addendum shall be deemed a waiver of the Shareholder’s right to rent the Unit.

Shareholder shall pay the cost incurred by the Mutual for the Mutual’s legal counsel to prepare such Addendum, in addition to the cost to have the Addendum notarized and recorded, if required by the Mutual, promptly upon request.

Section 18.4 – Restriction on Number of Units Leased

18.4.1 No more than twenty-five percent (25%) of the Units in the Mutual shall be rented at any time (the “Leasing Cap”).

18.4.2 A Shareholder desiring to rent his or her Unit may submit to the Board a written request for approval to rent. No Shareholder shall rent his or her Unit prior to receiving written approval from the Board.

A. The Board shall respond to any Shareholder’s written request for approval to rent the Shareholder’s Unit within forty-five (45) days of the Board’s receipt of such request. If the Board does not respond to the Shareholder’s written request at the Shareholder’s last known address of record within this time period, permission to rent shall be deemed to have been approved by the Board.

B. The Board shall deny a Shareholder’s request for approval to rent the Shareholder’s Unit if the number of rented Units, plus the number of Units for which other Shareholders have received Board approval to rent but which are not yet rented, plus the Shareholder’s Unit (the “Leased Unit Calculation”) exceeds twenty-five percent (25%) of the Units in the Mutual. If the Leased Unit Calculation does not exceed twenty-five percent (25%) of the Units in the Mutual, the Board shall grant a Shareholder’s request for rental approval.

C. In the event a Shareholder’s request for approval to rent is denied, the Shareholder shall be placed on a waiting list maintained by the Mutual, and the Shareholder shall

SEAL BEACH MUTUAL NO. SEVEN
Rules and Regulations

be given an opportunity to rent his or her Unit when such Shareholder's name is first on the waiting list and the Leased Unit Calculation no longer exceeds twenty-five percent (25%) of the Units in the Development.

- D.** If a Shareholder who has been approved to rent his or her Unit fails to rent his or her Unit within ninety (90) days of the date of rental approval, the Shareholder's written approval to rent from the Board shall expire. In such event, the Shareholder shall be required to submit a new written request to rent his or her Unit in accordance with the foregoing provisions.
- E.** If a Lease for an approved rental of a Shareholder's Unit expires or terminates and the Shareholder does not enter into a new Lease for the Shareholder's Unit within ninety (90) days of the expiration or termination of the prior Lease, the Shareholder's written approval to rent shall expire. In such event, the Shareholder shall be required to submit a new written request to rent his or her Unit in accordance with the foregoing provisions.
- F.** At no time may a prospective Shareholder or any non-Shareholder be added to the Wait List.

Section 18.5 – Lease Requirements

- 18.5.1** Subject to the Leasing Cap, and the provisions set forth above, a Shareholder may rent his or her Unit pursuant to a Lease that is : (A) in writing; (B) for a term of at least thirty (30) days (the "Minimum Lease Term"); and (C) subject in all respects to the Governing Documents, including, but not limited to, the Occupancy Agreement, provided it does not conflict with the terms contained herein.
- 18.5.2** The Shareholder is required to provide the Tenant with a copy of all Governing Documents, and any amendments thereto for the duration of the tenancy and Lease and ensure that the Tenant understands and acknowledges and agrees to be bound by the same. The Shareholder must provide the Mutual with written confirmation of the foregoing. The Lease shall include a statement that any failure by the Tenant to comply with the Governing Documents will constitute a default under the Lease. The following paragraph, or a substantially similar paragraph, shall be included in each Lease: "In accepting this Lease, Tenant acknowledges that Tenant has received, read, and understands Occupancy Agreement for Unit __, dated __, and any addendum thereto, and the Bylaws, rules, regulations,

SEAL BEACH MUTUAL NO. SEVEN

Rules and Regulations

and policies of Seal Beach Mutual No. Seven (the “Governing Documents”). Tenant agrees to comply with the terms of the Governing Documents, and acknowledges that any failure by Tenant, or Tenant’s family members, social guests, houseguests, servants, employees, or agents, to comply with the terms of the Governing Documents shall constitute a material default under this Lease and may result in the early termination of this Lease.

- 18.5.3** No less than the entirety of a Unit may be rented under a Lease, or otherwise. Notwithstanding the foregoing, one (1) roommate paying rent to a Shareholder may reside simultaneously with a Shareholder in the Shareholder’s Unit.
- 18.5.4** No sub-rental of a Unit shall be permitted, and no Unit may be used for vacation rentals (for example only, listed on Airbnb, VRBO or a similar website) or rented to a corporate housing company.
- 18.5.5** No Unit may be leased for hotel or transient purposes.
- 18.5.6** The Lease must provide that upon the notice of intent to transfer Stock, the Lease shall terminate, and the Tenant must vacate the premises and remove all personal property within thirty (30) days. The transfer of Stock cannot take place unless and until Tenant has vacated the Unit.
- 18.5.7** Each Shareholder shall be responsible for any and all violations of the Governing Documents committed by any Tenant, or any guest or invitee of Tenant, of the Shareholder’s Unit.
- 18.5.8** Each Shareholder shall be deemed to have agreed to save, hold harmless, indemnify, and defend the Mutual and its Directors, officers, agents, representatives, attorneys, and employees from and against any and all claims, demands, actions, causes of action, liabilities, damages, and expenses arising out of, or incurred as a result of, the rental/leasing of the Shareholder’s Unit, together with all costs, expenses, and actual attorneys’ fees resulting therefrom.
- 18.5.9** Tenant must acknowledge the Mutual’s right to initiate an unlawful detainer action against the Shareholder in the event: (1) the Tenant fails to abide by the terms of the Mutual’s Governing Documents and the Shareholder fails to initiate an unlawful detainer action within thirty (30) days of notice from the Mutual Board of the same; and/or (2) the Shareholder’s Share of Stock is terminated. Any expenses and attorney’s

fees incurred by the Mutual, shall be paid as set forth in Section 7.1.2 of these Leasing Rules.

Section 18.6 – Exemptions; Enforcement

- 18.6.1** Upon application by a Shareholder to rent his or her Unit, the Board shall be authorized and empowered, in its sole and reasonable discretion, to grant a hardship exemption for the Shareholder with respect to the Leasing Cap. For purposes of this subsection, a “hardship” shall be defined as the need of a Shareholder to rent his or her Unit as a result of an unforeseeable event and/or because enforcement of the Leasing Cap, against the Shareholder could reasonably subject the Shareholder to suffer a severe financial difficulty.
- 18.6.2** If a Shareholder rents his or her Unit without approval from the Board, or otherwise in violation of the provisions of these Leasing Rules, the Mutual is authorized to pursue all of its available legal rights and remedies against the Shareholder to enforce such violation and the Shareholder shall be subject to disciplinary measures, including, but not limited to: (a) a monetary penalty in an amount to be determined by the Board; (b) other disciplinary measures; (c) termination of the Occupancy Agreement; (d) injunctive relief; and/or (e) a Reimbursement Assessment in an amount equal to the costs incurred by the Mutual related to addressing such violation, including, without limitation, attorneys’ fees and costs, irrespective of whether the Mutual is able to obtain a court order to evict the Tenant or otherwise effectuate the legal eviction of the non-compliant Shareholder and/or Tenant from the Shareholder’s Unit.
- 18.6.3** Notwithstanding anything to the contrary contained in these Leasing Rules, the Leasing Cap shall not apply to: (a) any Shareholder exempted from the Leasing Cap under the Davis-Stirling Act; and (b) the Mutual.

Section 18.7 – Unlawful Detainer

- 18.7.1** Failure by a Shareholder to take legal action, including the institution of unlawful detainer proceedings to evict such Shareholder’s Tenant, who is in violation of the Mutual’s Governing Documents, including without limitation, the Articles, Occupancy Agreement and/or Addendum thereto, Bylaws, Rules and Regulations, or Policies, within ten (10) days after receipt of writ demand so to do from the Board, shall constitute a default of the Shareholders Occupancy Agreement and/or Addendum thereto and entitle the Mutual,

SEAL BEACH MUTUAL NO. SEVEN
Rules and Regulations

through the Board, to take any and all such action necessary, including without limitation, declaring forfeiture/termination of the Shareholder's Occupancy Agreement, and the institution of unlawful detainer proceedings against the Shareholder to recover possession of the Unit.

18.7.2 In any such unlawful detainer action against the Shareholder, the Mutual will seek an award of its attorney's fees and costs incurred in connection with the same pursuant to the Occupancy Agreement and/or Addendum thereto. Any other expenses incurred by the Mutual in connection with the enforcement of these Leasing Rules, including attorney's fees, shall be repaid to it by such Shareholder. Failure by such Shareholder to make such repayment within (10) days after receipt of a written demand therefor shall entitle the Board to levy a Special Assessment against such Shareholder and such Shareholder's Unit for all such expenses incurred by the Mutual.

18.7.3 The authority granted by this Section 7 shall be cumulative with all other rights and remedies of the Mutual in enforcing its Governing Documents.

Section 18.8 – Shareholder Liability

Shareholder shall be absolutely liable to the Mutual and other Shareholders and their families, guests, tenants, and invitees for any liability arising from the acts/or omissions of such Shareholder's Tenant. Each Shareholder who chooses to lease such Shareholder's Unit agrees to be held liable for all acts, whether negligent or non-negligent of such Shareholder's Tenant and/or any guests or invitees of Tenant.

Section 18.9 – Assignment of Rents

18.9.1 Assignment of Rents. Each Shareholder who is leasing or renting his or her Unit to a Tenant or Tenants hereby assigns to the Mutual all of the rents and any other income now due or which may become due to Shareholder pursuant to the Lease for the Shareholder's Unit the "Rents"), together with any and all rights and remedies which the Mutual may have against the Tenant or Tenants, or others in possession of the Unit, or the collection or recovery of the Rents so assigned. Such assignment shall be effective only upon the Shareholder's failure to pay any Assessment within thirty (30) days after the due date, and under no circumstances, if the Mutual accepts such assignment.

SEAL BEACH MUTUAL NO. SEVEN

Rules and Regulations

- 18.9.2 Process to Effectuate Assignment of Rents.** An assignment of rents pursuant to these Leasing Rules shall only be effective if it complies with the requirements of the Civil Code and any other applicable law. Any costs and fees incurred by the Mutual in effectuating an assignment of rents pursuant to these Leasing Rules shall be considered a cost of collection of delinquent Assessments, for which the applicable Shareholder shall be responsible.
- 18.9.3 Mutual Not a Landlord.** The exercise and enforcement of the Mutual's rights under these Leasing Rules shall in no way constitute the Mutual as landlord or lessor under any Lease, and the Mutual shall have no such responsibility. Each Shareholder hereby agrees to indemnify, defend, and hold harmless the Mutual and its Directors, officers, agents, representatives, employees, and attorneys, as may be applicable, from and against any and all claims by a Tenant or any third party that the Mutual failed to fulfill the duties of landlord or lessor under any Lease for the Shareholder's Unit.
- 18.9.4 Payment of Rents to Mutual.** Each Shareholder irrevocably consents that the Tenant or Tenants under a Lease for the Shareholder's Unit, upon receiving from the Mutual notice of an assignment of rents pursuant to these Leasing Rules, shall pay the Rents to the Mutual without incurring any liability for the failure to determine the actual existence of any Assessment delinquency claimed by the Mutual. Each Shareholder further agrees that such Tenant or Tenants shall not be liable to the Shareholder for nonpayment of the Rents to the Shareholder for Rents paid to the Mutual pursuant to these Leasing Rules. The full amount of the Rents received by the Mutual shall be applied to the Shareholder's account; however, application of the Rents to particular Assessments and charges owed by the Shareholder to the Mutual shall be at the Mutual's discretion to the extent not dictated by law.
- 18.9.5 Mutual Powers Upon Default.** The Mutual may at any time pursue legal action against a Shareholder and/or the Shareholder's Tenant or Tenants for, or otherwise seek collection of any Rents not paid to the Mutual pursuant to these Leasing Rules. The Mutual shall deduct from the Rents received in any such action the costs and expenses and collection, including, but not limited to, reasonable attorneys' fees.
- 18.9.6 Terminations of Payment of Rents to Mutual.** The Mutual may continue receiving Rents assigned directly from the Tenant or Tenants of a Shareholder's Unit until any unlawful

SEAL BEACH MUTUAL NO. SEVEN
Rules and Regulations

detainer action against the subject Unit is completed by the Mutual, or until the amount of money owed to the Mutual by the Shareholder, including Assessments, late charges, interest, and collection costs, including reasonable attorney's fees, is paid in full, whichever occurs first.

Section 18.10 – Shareholder Insurance Requirements

18.10.1 Property Damage and General Liability Insurance. Each Shareholder is responsible for insuring his or her personal property located within the Mutual. Each Shareholder is also responsible for insuring all buildings, structures, and other Improvements contained within or located upon the Shareholder's Unit (including, but not limited to the Shareholders' Residences) against fire and other casualty. Nothing in this Restate Declaration precludes any Shareholder from carrying public liability insurance as he or she may deem reasonable, however, such insurance coverage may not adversely affect or diminish any coverage under any of the Mutual's insurance policies. If any loss intended to be covered by insurance carried by or on behalf of the Mutual occurs and the proceeds payable are reduced due to insurance carried by a Shareholder, such Shareholder shall assign the proceeds of the Shareholder's insurance to the Mutual, to the extent of such reduction, for application to the same purposes as the reduced proceeds are to be applied.

18.10.2 Renter's and Landlord's Insurance. A Shareholder whose Unit is subject to a Lease shall require a term of the Lease that the Tenant is required, at all times during the Tenant's tenancy and occupancy of the Shareholder's Unit, to obtain and maintain "renter's insurance" of no less than fifty thousand dollars (\$50,000.00), insuring, including without limitation, the Tenant for general liability, property damage, and the replacement value of the Tenant's personal property and belongings located in the Unit from damage and loss. Such Shareholder shall also be required to maintain "landlord's insurance" during the period of the Lease, under an insurance policy that covers the Shareholder's Unit from financial losses connected with the Unit; such policy shall cover standard perils such as fire, and, to the extent commercially available, include coverage for accidental damage, malicious damage by tenants, and rent guarantee insurance.

18.10.3 Proof of Insurance. Duplicate copies of the insurance policies required under these Leasing Rules shall be submitted by a Shareholder to the Board upon request. Notwithstanding the

SEAL BEACH MUTUAL NO. SEVEN
Rules and Regulations

foregoing, the Mutual shall not have the obligation to confirm that any Shareholder or tenant carries the insurance required under these Leasing Rules and/or confirm the terms of any insurance purchased by a Shareholder or Tenant.

- 18.10.4 Lack of Insurance.** The Mutual shall not be responsible for any damage or loss to a Shareholder's Unit, another Unit, or the Common Area for which the Shareholder is responsible and the Shareholder does not maintain sufficient insurance coverage for the cost of repair and restoration of such damage or loss. Any failure by the Tenant to have renter's insurance shall be regarded as a material breach of the Lease.

Section 18.11 – Tenant Eligibility

- 18.11.1 No Discrimination.** No Shareholder shall execute or cause to be recorded any instrument that imposes a restriction on the rental or occupancy of the Shareholder's Unit on the basis of race, color, religion, sex, gender, gender identity, gender expression, sexual orientation, marital status, national origin, ancestry, familial status, source of income, disability, or genetic information nor shall any Shareholder discriminate against or harass any prospective Tenant, or Resident of the Shareholder's Unit because of such bases. Notwithstanding the foregoing, selection preferences based on age in the rental of a Shareholder's Unit, imposed in accordance with the Civil Code or a federally approved housing program, as may be applicable, shall not constitute age discrimination.
- 18.11.2 Criteria for Eligibility.** All Tenants must meet the criteria for membership eligibility set forth in the Mutual's Governing Documents, specifically the Occupancy Agreement and by the Golden Rain Foundation, as the same may be amended from time to time.

Section 18.12 – Board's Not Entitled to Take Over Rights of Shareholders
